

# EPRI Energy Systems and Climate Analysis Group Research on Greenhouse Gas Emissions Accounting

**Last Updated: March 2020**

This is a summary of EPRI's Energy Systems and Climate Analysis (ESCA) Group's research on greenhouse gas emissions accounting. Web links are included where available. Publications marked with an \* are available to the public free of charge or are published in academic journals. Other publications are available to EPRI member companies that fund certain program(s), as indicated with a number in brackets preceding the publication title and can be purchased by members of the public who may be interested in doing so, subject to EPRI's product distribution requirements. For a full listing of ESCA research that is free to the public, please visit the ESCA public website at <http://eea.epri.com/research.html>. To receive the ESCA group's quarterly newsletter with research updates, please email your request to [eea@epri.com](mailto:eea@epri.com).
